

Streiff Law and LegalStrasse take the next level: Cooperating with [The Family](#) we created a new video about the convertible loan.

In the video we inform you all about the purpose, process and legal design of the convertible loan. The advice goes hand in hand with our new template for convertible loan agreements on www.legalstrasse.com, available in German and English. In doing so, we want to empower founders to tackle financing on the same level as investors and achieve better negotiating results.

After the speech Daniel Streiff enters into a discussion with founders and investors about current topics regarding convertible loans.

The video is the result of the ongoing cooperation with The Family and the 3rd legal workshop so far.

In [this article](#) you will find more information on convertible loans.
